SUBJECT: Notification of Incidents (U)

The Assistant to the President for National Security Affairs has asked that I reiterate to concerned agencies the absolute requirement to report promptly and fully any incidents between US and Soviet Bloc or other communist country personnel, such as the July 13 episode involving our Military Liaison Mission in Berlin. Any incident with the Soviet Union or other communist countries, no matter what its nature, risks wider political repercussions and we need to be speedily informed. When such incidents occur, we also need a prompt evaluation of what happened. (C)
